

All About Gardening and Landscape Design

The international Myplant & Garden Exhibition devoted to gardening and floristry will be held at the Fiera Milano Centre on February 25-27th.

It is one of the biggest events dedicated to the world of plants and flowers. According to tradition, participants of the exhibition include florists and garden shops, architects, urban planners, event managers and representatives of hotels and relaxation centres.

Myplant & Garden provides a great opportunity to exchange experience, expand your network and learn about the latest trends in the industry. The exhibition will be divided into theme-based sections:

- *Indoor and outdoor plants;*
- *Cut flowers;*
- *Vases;*
- *Fertilizers;*
- *Corporate software;*
- *Professional equipment;*
- *Goods for florists and gardeners;*
- *Architectural projects.*
