

MYPLANT&GARDEN - The International Green Expo

From February 24 to 26 will be staged Myplant & Garden, the leading international trade fair dedicated to the world of green in all its aspects.

Like last year, in this edition Myplant will organize a rich program of professional and cultural events and activities, contents and projects that are really important to encourage the idea of biodiversity, sustainability, production of horticultural nursery.

Of course, there will be also events dedicated to the world of construction, design, planning, architecture, upgrading of public and private green and landscape.

> Find out all the information on Myplant & Garden!
