**MYPLANT & GARDEN 2017**, the new International Green Expo is on display in **FEBRUARY, 22th-24th 2017 at Fiera Milano** Rho-Però in Milano, **ITALY**.

**MYPLANT & GARDEN IS THE INTERNATIONAL B2B EXHIBITION**

**CONCEIVED AND WANTED BY FLORAL COMPANIES. Internationality and business, green and landscape are the main focus of the fair.**

Its qualification as international fair – obtained since its debut in February 2015 – has been reconfirmed and certified also for the second edition: the new Myplant & Garden exhibition proves itself to be the world reference point for business and the green sector, in which plant cultivations and constructions, flower

cultivations and decorations, techniques and machineries, services and equipment find an international aim in their business and a real push to recognize the excellence of the Italian flower and plant sector and of the green solutions which are here designed and presented.

The presence of buyer delegations, which has been remarkable since last year, will be further improved, thanks to the cooperation with bodies, institutions, agencies and companies.
