Italian garden centre association to host its annual conference at Myplant&Garden

Italy's national garden centre association, the *Associazione Italiana Centri Giardinaggio* (AICG) will host its 11th national conference at the forthcoming MyPlant&Garden show taking place at Fiera Milano Rho in Milan, between 22-24 February 2023.

The conference has the central theme of 'Verdi connessioni, cambiare, educare, agire' which translates as 'Green connections, change, educate and act'.

The organisers are currently putting the final touches on the conference programme. For more information visit www.aicg.it
