## Ready for Myplant & Garden 2025?

Next month, the ninth edition of Myplant & Garden will open its doors at Fiera Milano Rho in Milan, Italy. The international event for green professionals will be held from February 19 to 21, 2025. This year, the show is set to be even larger than before.

The expansion includes an increase in exhibition space—from 50,000 m<sup>2</sup> to 55,000 m<sup>2</sup>—and the full opening of Pavilion 8, now the fourth active hall. Previously used for special functions and dedicated areas in February 2024, Pavilion 8 will now host a significant portion of the fair's expanded offerings.
