

68% of exhibition space already booked for Myplant & Garden 2026

Just three months after the close of the [ninth edition of Myplant & Garden](#), rebooking has ended, with 68% of the space already confirmed for the next edition.

Eager to get an impression of the show? Check out our [photo report of the 2025 edition here](#).

Myplant & Garden is getting ready to celebrate its tenth edition, scheduled from February 18 to 20, 2026, at Fiera Milano Rho (IT).

This year, sustainability was a key focus at the event. We await any news on the emerging trends and focuses that will be in the spotlight for next years event.
