

# The Myplant Design Competition

Myplant & Garden, the fair for floriculture, landscape and garden in Milan (next edition 20-22 February 2019), returns to promote a creative design competition dedicated to a community for mothers-children with social problems.

A path marked by 'green rooms' will become a play and educational garden for children and mothers hosted at the Archè Onlus Foundation (MI).

'Il Giardino di Corte' is the title of the fourth edition of the creative design competition organized by Myplant & Garden in collaboration with Fondazione Minoprio and dedicated to the designers of the greenery.
