

Myplant & Garden – International Green Expo

Event Type

February 23 - February 25, 2022

Milan, Italy

For tickets, please [click here](#).

The goal of the expo is to lift the garden industry: from research to design, from seeds to forestation, from production to distribution.

Promotes the whole chain through its 9 exhibiting sectors: nurseries, cut flowers, decoration, design, machinery, services, garden care, pots and garden furniture.
