# **MYPLANT & GARDEN Middle East Green Expo 2025**

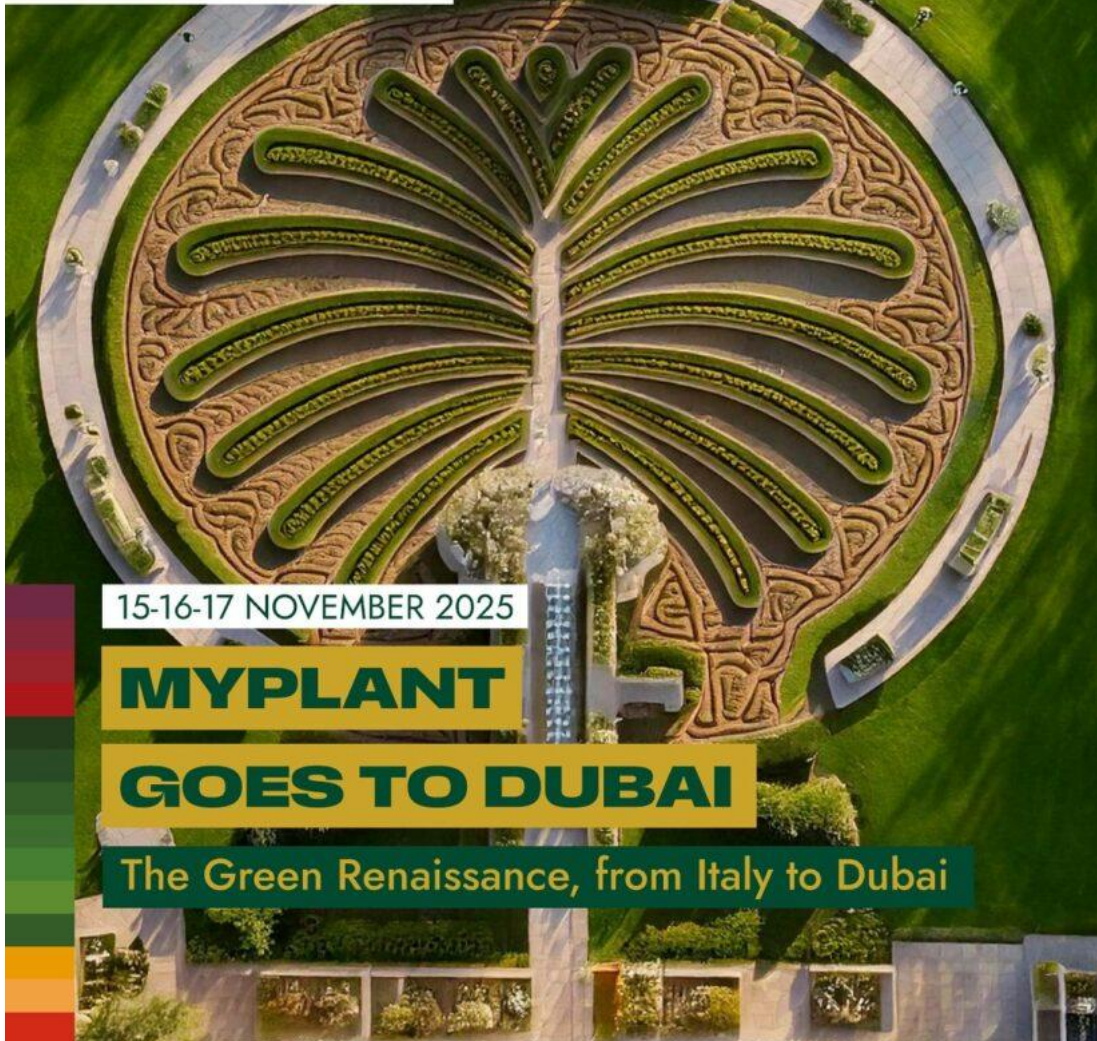

**NOVEMBER 15 - NOVEMBER 17**

**The new and only B2B event dedicated to horticulture supply chain in the Middle East: This unmissable international exhibition is designed for industry businesses, professionals, institutions, and economic stakeholders active in the live and designed green sectors.**

**Showcasing six key macro-sectors:** Landscape Architecture & Urban Furniture, Nurseries, Pots & Outdoor Furniture, Machinery, Greenhouses & Irrigation, Flowers & Decoration, and Techniques & Services, Myplant & Garden ME presents the region's most comprehensive range of products, services, and solutions.

From live greenery, outdoor space design, and landscaping, to garden creation, sustainable cultivation technologies, and innovative agricultural practices, it's the go-to platform for the green industry in the Middle East.
